

# Dunes Day 2011

*9 a.m. - noon Saturday, January 15*

Help protect our beaches by building new dunes. Bring a Christmas tree and stake it to the beach to catch blowing sand.

We will provide extra trees, twine, stakes, miles of unprotected beaches, and a gourmet beach lunch for all volunteers.

Volunteers should wear weather-appropriate clothing and solid shoes. Bring along a hat, sunscreen, gloves, a hammer, and drinking water.
