AMI Education Scholarship  
c/o HCCS Foundation  
3100 Main, Suite 12B12 (MC1148)  
Houston, TX 77002

Dear AMI Education Scholarship Donors,

Thank you for honoring me with a scholarship to continue my education at Houston Community College. I am currently working toward completing the prerequisites needed to enter nursing school. I have every hope of being accepted to University of Texas Medical Center School of Nursing. Looking beyond receiving my BSN degree, I am planning to further my education to study neurology, and help in the research being conducted to prevent Alzheimer's disease.

My education at HCC has been very prosperous in knowledge, but it has come at a price. The amount of student loans that I have acquired to accomplish my educational goals is substantial. All money that I receive towards my education helps keep that loan amount down. Thank you for your generosity, and trusting that I will do great things with my education. I will, and I look forward to the day when I can be as generous a guarantor as you have been in providing the funds for this scholarship.

Sincerely,

Scott K. Bleazard
