

Hi Belinda,

We just wanted to send a quick thank you note to you and everyone at AMI. We greatly appreciate all the help and guidance that you guys have provided us. The Boot Camp was great and very informative; we look forward to the next ones. It is obvious our neighborhood is struggling and we are trying our bests to turn it around as a Board, but to have you all giving so much support that is above and beyond the norm is very impressive, comforting and greatly appreciated. You guys are so dedicated

and want to help in any way possible, which is very refreshing when you're consistently catching grief from fellow homeowners. The breakfast you & Mrs. Reagenbaum had with us was very nice and shows the effort you all are

It was very much appreciated.

putting into our neighborhood. Just know we are aware of all you guys do and are very much appreciative.

Thanks again!
